

To whom it may concern

It's been brought to my attention that the town of Johnsbury is currently looking for an animal control officer. I would like to express my interest in this position. I currently am the ACO for the towns of Thurman,Warrensburg,Lake Luzerne,Lake George and Bolton. I also am employed as a peace officer at Suny Adirondack Community College. I plan on continuing my education in the field of animal control and animal cruelty investigation

I would ask an annual salary of 6000\$ for this position

Thank you for your consideration

RE: Appointment

I would like to thank you for your appointment as Johnsburg ZEO since 2010. Afternoon/Evening hours have continued to work out well for most folks. Currently I ask that people make appointments to help spread out applicants throughout the day and avoid multiple people in the building waiting to see me. I do however see people who walk in not realizing they should have an appointment. It has worked well. As always I am happy to arrange a time to meet for anyone who is unable to come in during regular hours.

This has been a unique year unlike any other. I would like to thank the Town for establishing polices and taking extra steps to help us work safely.

I am interested in continuing as ZEO for 2021 and would be pleased to accept an appointment to the position.

Thank you for your consideration.

Sincerely,
